| 58           | Textile finishing agent          | Finishing Agent, dye carriers to accelerate the dyeing or fixing of dye-stuffs and other products and preparation (for example, dressing and mordents) of a kind used in the textile, paper, leather or like industries, not elsewhere specified or included.                                             | 3809.93.00    |                              |
| 59           | Amylaceous substance             | Finishing Agent, dye carriers to accelerate the dyeing or fixing of dye-stuffs and other products and preparation (for example, dressing and mordents) of a kind used in the textile, paper, leather or like industries, not elsewhere specified or included.                                             | 3809.10.00    |                              |
| 60           | Petroleum resins                 | Petroleum resins, coumarone-indane resins, polyterpenes, polysulphides                                                                                                                                                                                                                                    | 3911.00.00    |                              |
| 61           | Other Resins cements             | Glaziers putty, grafting putty, resin cements, caulking compounds and other mastics, painters, fillings                                                                                                                                                                                                   | 3214.90.00    |                              |
| 62           | Acid Dyes                        | Synthetic organic colouring matter, whether or not chemically defined; preparation as specified in note 3 to this chapter based on synthetic organic colouring matter, synthetic organic products of a kind used as fluorescent brightening agents or as luminophores, whether or not chemically defined. | 3204.12.00    |                              |
| 63           | Other Petroleum resins           | Petroleum resins, coumarone-indane resins, polyterpenes, polysulphides                                                                                                                                                                                                                                    | 3911.90.00    |                              |
| 64           | Glues                            | Dextrin and other modified starches (for example, pregelatinised or esterified starches) glues based on starches, or on dextrin's or other modified starches.                                                                                                                                             | 3505.20.00    |                              |
| 65           | Elastic/ construction glue       | Prepared glues and other prepared adhesives, not elsewhere specified or included                                                                                                                                                                                                                          | 3506.91.00    |                              |
| 66           | Other Stamping Foils             | Pigments (including metallic powders and flakes) dispersed in non-aqueous media, in liquid or paste form, of kind used in the manufacture of paints (including enamels) stamping foils; dyes and other colouring matter put up in forms or packing for retail sale.                                       | 3212.90.00    |                              |
| 67           | Poly (methyl methacrylate)       | Acrylic polymer in primary forms                                                                                                                                                                                                                                                                          | 3906.10.00    |                              |
| 68           | Leveling Agent                   | Organic surface-active agents (other than soap), surface-active preparation, washing preparation (including auxiliary washing preparation) and cleaning preparations, whether or not containing soap, other than those of heading 34.01.                                                                  | 3402.90.90    |                              |
| 69           | Fixing Agent                     | Finishing Agent, dye carriers to accelerate the dyeing or fixing of dye-stuffs and other products and preparation (for example, dressing and mordents) of a kind used in the textile, paper, leather or like industries, not elsewhere specified or included.                                             | 3809.91.00    |                              |
| 70           | Organic Surface-active agents    | Organic surface-active agents (other than soap), surface-active preparation, washing preparation (including auxiliary washing preparation) and cleaning preparations, whether or not containing soap, other than those of heading 34.01.                                                                  | 3402.90.90    |                              |
| 71           | Octylphenol                      | Phenols; phenol-alcohols                                                                                                                                                                                                                                                                                  | 2907.13.00    |                              |
| 72           | Detergent                        | Organic surface-active agents (other than soap), surface-active preparation, washing preparation (including auxiliary washing preparation) and cleaning preparations, whether or not containing soap, other than those of heading 34.01.                                                                  | 3402.90.10    |                              |
| 73           | Cleaning agent                   | Organic surface-active agents (other than soap), surface-active preparation, washing preparation (including auxiliary washing preparation) and cleaning preparations, whether or not containing soap, other than those of heading 34.01.                                                                  | 3402.19.00    |                              |
| 74           | Acrylic polymer in primary forms | Acrylic polymer in primary forms                                                                                                                                                                                                                                                                          | 3906.90.00    |                              |
| 75           | Textile Chemical                 | Organic surface-active agents (other than soap), surface-active preparation, washing preparation (including auxiliary washing preparation) and cleaning preparations, whether or not containing soap, other than those of heading 34.01.                                                                  | 3403.11.00    |                              |
| 76           | Polytetrafluoroethylene          | Polymer of vinyl chloride or of other halogenated olefins in primary forms.                                                                                                                                                                                                                               | 3904.90.00    |                              |
| 77           | Methane sulphonate               | Sulphonated, nitrated or nitro sated derivatives of hydrocarbons, whether or not halogenated                                                                                                                                                                                                              | 2904.10.10    |                              |
| 78           | Cleaning Agent / Detergent       | Organic surface-active agents (other than soap), surface-active preparation, washing preparation (including auxiliary washing preparation) and cleaning preparations, whether or not containing soap, other than those of heading 34.01.                                                                  | 3402.90.10    |                              |
| 79           | Washing Agent                    | Organic surface-active agents (other than soap), surface-active preparation, washing preparation (including auxiliary washing preparation) and cleaning preparations, whether or not containing soap, other than those of heading 34.01.                                                                  | 3402.90.90    |                              |
| 80           | Acrylic polymer in primary forms | Acrylic polymer in primary forms                                                                                                                                                                                                                                                                          | 3906.90.00    |                              |
| 81           | Softening Agent / Softener       | Finishing Agent, dye carriers to accelerate the dyeing or fixing of dye-stuffs and other products and preparation (for example, dressing and mordents) of a kind used in the textile, paper, leather or like industries, not elsewhere specified or included.                                             | 3809.91.00    |                              |
| 82           | Accelerating Agent               | Finishing Agent, dye carriers to accelerate the dyeing or fixing of dye-stuffs and other products and preparation (for example, dressing and mordents) of a kind used in the textile, paper, leather or like industries, not elsewhere specified or included.                                             | 3809.93.00    |                              |
